

## **LYON INSURANCE REQUIREMENTS**

**The below list contains the basic insurance components required of our approved vendors:**

- \$1,000,000 General Liability Insurance
- \$1,000,000 Auto Insurance
- \$1,000,000 Workers Compensation Insurance

All maintenance related vendors expecting to perform work on our properties must have an additional insured endorsement on their General Liability policy that will cover ongoing and completed operations for all requested Lyon entities.

Exceptions/additions to these requirements are made by authorized Lyon personnel based on the risk and liability associated with a vendor's trade.

Once a member of our Lyon management team has requested to add a vendor to our Preferred Vendor Program, a complete package of all insurance and professional documentation requirements will be mailed.
